Re: Installation of Reserved Residential Parking Space for Disabled Resident

Dear Chairperson Thomas:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

Our office has received a request from Patricia Williams of 321 Channing Street NE, for Reserved Residential Parking Space for Disabled Resident for on-street parking space. According to 54 DCR 903 (February 2, 2007) section 2710.1 through 2710.3 the Director may reserve one (1) on-street parking space for any District resident who applies in writing for a reserved space and who qualifies under section 2710.1 (a) through (e). DDOT recognized that the residence has off-street parking driveway or garage however DDOT’s Director has approved said resident to have a reserved on-street parking space with the shortest possible accessible pathway to the public space.

All comments on this subject matter must be filed in writing by November 8th (thirty days after the date of this notice), with the District Department of Transportation, Transportation Operations Administration, 55 M Street, S.E. Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT’s website at <https://ddot.dc.gov/service/ddot-notice-intent>.
